**LETTER TO OFFICIAL DRAFTSPERSON SUBMITTING PROPOSED
DRAWING CORRECTIONS**

Submitted are Figures 14 and 15 with reference numerals 101 (spinning reel – see page 11, line 29), 105 (chocolate wheel – see page 12, line 10) and 121 (tree – see page 14, line 14) added. Since the elements are clearly delineated in the specification and shown in the drawings, no new matter is raised by simply the insertion of the numerals. In view thereof, the objection to the drawings should be withdrawn.
